

# A Taste of Wadworthshire

## Appreciating 125 Celebratory Stout...

To celebrate 125 years of brewing at Wadworth's legendary Northgate site in Devizes, 125 Celebratory Stout has been created. One of the first ever beers produced at the Northgate brewery when it began working in February 1886, the secret recipe was found documented in a book in the head brewer's office.

Matching the original recipe as closely as possible, and brewed in the original brewhouse, it is a rich dark beer with big complex coffee flavours up front from the combination of amber, crystal and black malts together with sweet dark muscovado sugar.
