

A Taste of Wadworthshire

Appreciating Blunderbuss...

October hails the beginning of Autumn's dark nights, log fires and falling leaves. Blunderbuss is a beer that celebrates all things autumnal, from the red leaves on the ground to the explosions of fireworks that light up the pitch black skies.

A rich red autumn ale, Blunderbuss is bursting with red berries and spice, drawn from the addition of rye crystal malt, Fuggles, Golding and Brambling cross hops with a touch of Elderberry concentrate. This full body rolls gently in to a crisp decisive finish from the late addition of Cascade hops. Blunderbuss is an autumn explosion for beer lovers.

Simply stated...
