

A Taste of Wadworthshire

Appreciating Horizon...

A light, easy drinking beer from Wadworth, brewed with 100% pale ale malt and a blend of Fuggles, Styrian Goldings and Cascade hops. Pale gold in colour with zesty, citrus and hop aromas and a crisp, tangy finish on the palate.

Easy drinking all year round and robust enough to accompany most foods, Horizon is light in colour, but full flavoured and best enjoyed cool.

Horizon is refreshing in the Spring and Summer and revitalising in the Autumn and Winter.
