

# A Taste of Wadworthshire

## Appreciating Swordfish...

We salute 100 years of naval aviation with this unique beer. Dedicated to the unwavering courage of the crews of the Fairey Swordfish torpedo bombers of WW2, who risked their lives against impossible odds.

Swordfish is a 5% ABV ale developed by Wadworth with the addition of Pussers Rum from the British Virgin Islands, the original Admiralty rum ration issued daily to the sailors of the British Navy since 1655.

With a gentle rum aroma and dark, unrefined cane sugar adding a rich smoothness, it is a full-bodied deep copper-coloured ale.
