Visit us in the centre of Devizes, in the heart of the South West. We are open Monday to Saturday and there will always be a friendly face behind the bar to serve you, recommend drinks and help you find whatever you need.

We have a fully stocked bar with wines, spirits, ciders, lagers and of course our very own iconic Wadworth ales.

Our shop is full of Wadworth merch including t-shirts, hoodies, glasses, homeware and cans and bottles of your favourite beers including 6X, Henry's IPA, Horizon, Swordfish and more.

We also sell 5 litre microcasks (8.8 pints) so you can enjoy a fresh pint of cask ale in the comfort of your own home.

The Woodland Pizza Kitchen is outside the Brewery Tap most Friday evenings from 5-8pm to make sure you don't go hungry whilst you enjoy a pint at the bar. Pre-order on their Facebook page.

## Pub & Ale Tours

Join us for a historical tour around Devizes which includes a talk about our famous Northgate Brewery, the history of Wadworth and our beers, and then a walk around our great pubs all within easy walking distance of the Brewery Tap. Your experienced guide will lead you around town while you sample a different ale in each pub.

Learn how the different ales are made, what different types of hops and malts are used and the Wadworth brewing process that creates our iconic beers. The tour starts at 2pm most Saturdays and lasts 2.5 hours in which you sample around 8 different ales and includes a hot pie of your choice back at the Brewery Tap & Shop.
