Did you know?

- This lager was created in collaboration to celebrate a key milestone in Wadworth's history by installing BrauKon brew kit in its new brewery in Devizes.
- It was brewed and canned by our friends at Camba Bavaria brewery and is being sold in both the UK and Germany.

Tastes great with:

Pub seafood classics such as fish & chips or scampi, and traditional pork dishes. Light and refreshing puddings go brilliantly with this lager, so try a lemon based dessert or a mild cheese such as brie.
